

Report of Church Fellowship meeting on 14th July 2010

On 14th July we spent a charming musical evening with our local entertainer, Steven Mills, who gave us a performance of haunting tunes on violin and music box to accompany his voice of power and clarity.

We have no meeting in August but on 8th September we hope to see all of our members to enjoy a Harvest Supper of 'Fish and Chips' followed by a review of the years activities and a talk by the Reverent Jackie Betts.
